

CIRCUIT BUSINESS CONSULTING

Your trusted partner in the field of
automotive!

About us

Who are we?

We are a **Management Business Consulting** company founded in Sarajevo, Bosnia and Herzegovina, by two enthusiasts with **multiple years of experience in the German industry** and **leading management positions**.

Why CBC?

Our main target is to **shape the future of our client's businesses** by providing **consultancy services** along the **whole value chain**. We set our focus on **cutting-edge innovations** from development to implementation. The core of CBC are our **highly skilled consultants** with a profound understanding of **industrial needs**. Our team consists of **multilingual people** with **different educational backgrounds**.
